

m_time_oop::julian_

```
graph LR; A[m_time_oop::julian_] --> B[m_time_oop::dt2d_];
```

A diagram showing a mapping from a variable to another. On the left, a gray rectangular box contains the text 'm_time_oop::julian_'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'm_time_oop::dt2d_'. Both boxes have a black border.

m_time_oop::dt2d_
