

m_time__oop::epoch_

```
graph LR; A[m_time__oop::epoch_] --> B[m_time__oop::dt2d_];
```

A diagram showing a pointer relationship between two variables. On the left, a gray rectangular box contains the text 'm_time__oop::epoch_'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'm_time__oop::dt2d_'. Both boxes have a black border.

m_time__oop::dt2d_
