

m\_time::date\_to\_unix

```
graph LR; A[m_time::date_to_unix] --> B[m_time::date_to_julian]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray fill and a black border, containing the text 'm\_time::date\_to\_unix'. The right box has a white fill and a black border, containing the text 'm\_time::date\_to\_julian'. A dark blue arrow points from the right side of the left box to the left side of the right box.
