

m_time::days2sec

m_time::sec2days

m_time_duplicate::transliterate

```
graph LR; A[m_time::days2sec] --> C[m_time_duplicate::transliterate]; B[m_time::sec2days] --> C;
```

The diagram illustrates a mapping or transformation process. On the left, there are two separate boxes: the top one contains the text 'm_time::days2sec' and the bottom one contains 'm_time::sec2days'. Arrows from the right side of both of these boxes point towards a single, larger box on the right. This box has a light gray background and contains the text 'm_time_duplicate::transliterate'. The arrows indicate that both 'm_time::days2sec' and 'm_time::sec2days' are inputs or related to the 'm_time_duplicate::transliterate' process.
